But the made ten dollars abstract, but also because her own well-should be abstract. But the made ten dollars abstract abstract abstract abstract abstract beautiful abstract that once stood guard over the highway wealths. Her accumulated wealth is This is true because the nerves receive leading into Montpelier from the south! great. She owns millions of dollars' their nourishment through the blood. They were slaughtered for a song. Vermonters seem to have an inherited trust companies and insurance compahostility to trees. I remember a Vermenter who went to Kansas in early millions on Western real estate, and in Absolute rest is the best aid to proper days and located a claim. The hundred and sixty acre tract he had newly acquired had on it one lone cottonwood tree. The first day's work of our Vermont friend began by cutting down this tree. He felt it his duty to "clear his land."

If there he a heautiful stream in Verminians on Western real estate, and in Absolute rest is the best aid to proper medical treatment. Rest and Dr. Williams' Pink Pills will cure most cases. After years of suffering, Mr. Fred C. Lowe, of North Paris, Me., was cured of sciatica by this remedy. Mr. Lowe is a veteran of the Civil war and was a ditions surrounding it are bad, your predictions are considered. He says: If there be a beautiful stream in Vermont, there is unrest in the communities means that you must, whether you wish through which it runs until it has been to or not, teach by precept and by exfilled with sawdust, rendered uninhabit, ample the most thorough honesty and able for fish and unfit for the uses of the most profound wisdom in public matters.

In short, I do not think I exaggerate when I saw that in Vermont man has done very little to assist the Creator in preserving and enhancing the natural the world of men of exceptional power along legal, political, executive, constructive and industrial lines. Wherever what all other sections of the country there are railroads to be built and ope-If it be urged that Vermonters cannot rated, wherever ther ar insurance cou panies to be organized and conducted, wherver there are banks and trust com panics, wherever there are courts and lawyers, wherever there are great facments, there you will find Vermonters. They do not appear much in literature and art, but in business they are universally strong. Thus we find in law and politics such men as Douglas, Ar-thur, Morton, Edmunds, Morrill, Proctor, Williams, Glover, Adams, Loomis, Phelps, Poland, Dillingham, Prouty, Mcinterstate commerce commission you rheumatism, aniemis, general debility bave had three commissioners—Veazy, and after-effects of the grip.

the Tonic Treatment.

Sciatica is neuralgia of the sciatic nerve. Its origin is generally rheumatic and is the direct result of taking cold. For this reason the disease is commonly

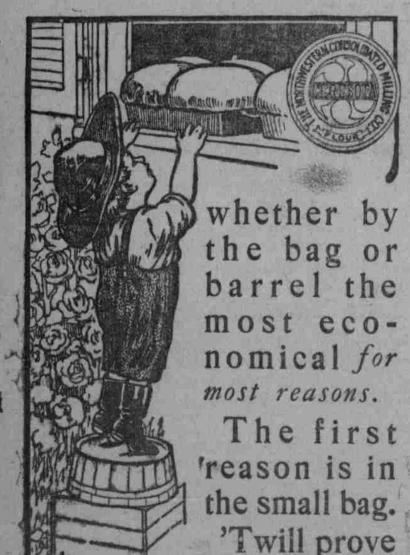

Lack of blood is almost always associnerves are fed and the neuralgic pains

"About thirty years ago I began to have sciatica and think it must have been caused by exposure. My hips, legs and back were affected and often the pain was so intense that I would drop to the ground. The pains were sharp as though a knife was cutting me. My left leg and foot were swollen to double their natural size. I would be helpless for three or four weeks as a time and was obliged to use crutches for six months. There were sharp, jabbing pains around my heart. I could not sleep and lost in weight and strength. "I suffered intensely for about twenty years. I was under medical treatment.

most of the time but received scarcely any benefit. Through reading the papers I learned of Dr. Williams' Pink Pills and gave them a trial. They gave me relief in a short time and I took them until curad." them until cured. Sciatics is stubborn in resisting treatment and the patient frequently suffers for years. Dr. Williams' Pink Pills do

not simply relieve pain but they cure diseases caused by depraved or vitiated blood. They actually make new blood and have therefore a direct and power-Cullough, Page and Shaw. In the navy and have therefore a direct and power-are men like Dewey and Clark. On the ful curative effect on such diseases as
